Dear Ma

Well how everything with the school girl these days fine I hope. You not working so hard in school these days. Myself I can't see working so hard well I'm in the army. How does your niece, Sherry, like school or does she go this year. Tell her hello for me. OK?

Well honey they just gave us a new address, I will put it at the end of the letter. I will be glad to get out of the army. All this week I just sat down doing nothing.

##

By the way what do you want for Christmas. I want an answer too! It not too far away.

Are you still going to teach me to dance when I get to Michigan?

Has your girl friend heard from that boy in Korea yet? If you and your girl friend want me to I will write him. Send his address if I have too write him.

What have you been doing with yourself besides going to school. Myself I'm not doing anything and not going to do anything till I get out of the army.
